

Personal International Drug Program

Your employer has partnered with Rescrybe, in coordination with your PBM, to help lower prescription drug costs. Rescrybe coordinates fills for **high-cost brand and specialty medications** to get the medications you need at prices you can afford. This partnership provides savings opportunities for both you and your employer.

Safe

- Dispensed from licensed pharmacies in Tier 1 countries that have the highest quality assurance such as Canada, New Zealand, UK, and Australia
- Same major manufacturers and distributors as used in the United States

Easy

- Delivered straight to your home from the pharmacy
- Refill reminders ahead of time to ensure you never run out
- Highest level of member service to ensure you get your medication when you need it

Save

- \$0 out of pocket for your prescriptions*
- Save hundreds to thousands of dollars per year on your prescription copays
- Save your employer significantly by using international and cutting the middle man out

What's Needed

- Respond to emails and/or phone calls left by Rescrybe
- We will ask you some basic information about you and your prescriptions

- Send a photo of your driver's license

- Message your provider to send a manual fax to 1-866-695-1070 for a 3 month supply + 3 refills

*Members with an HSA plan that have not met their deductible may have to pay out of pocket until their deductible is met before receiving their prescription for \$0 out of pocket
